HH Bhakti Purusottama Swami Maharaj is well renowned in narrating Lord's pastimes in such a sweet way that even children are captivated by His classes. **Maharaj's books on the pastimes of Srimati Radharani and Lord Jagannath, which are a result of His many tireless years of research, have brought forth to us the lesser known of Lord's pastimes.**

His wonderful books are much loved by the Vaishnava community, young and old alike. His books (which are not usually available in US) will be available during this weekend.

If you would like to serve Maharaj, please contact **Srivas Gauranga prabhu** at (425) 273-8106 / srivas108us@gmail.com.
